

New Mommy Wish List

As a new Mommy, there are some items you will discover that will make life with baby just a little easier. Here are some of them:

- ❑ **Miracle Milk Bib** — The best invention for nursing babies! This soft bib absorbs overflowing milk and helps keep baby (and mom) dry during feedings.
- ❑ **Bebe Au Lait/Hooter Hider** — A discreet cover for nursing mothers. This one is the best one out there, with a rounded top for easy viewing of baby, and small pockets in the side to tuck tissues, soothers etc.
- ❑ **Bosom Buddy Pillow** — Provides support and comfort when nursing or bottle feeding. The Bosom Baby pillow will make nurturing every bit of the special moment and bond it is intended to be for every new mother. Bosom Baby creates the perfect position for mothers to raise baby up to breast level, making the latch-on process easier. The unique V-shape also makes a cozy, comfortable maternity sleeping pillow. Also serves as a prop-up for baby photos!
- ❑ **Mommy Minder** — Helpful for keeping track of nursing sessions.
- ❑ **Milk Bands** — Helpful for keeping track of nursing sessions.
- ❑ **Bella Bands** — Good for after pregnancy, too. Gets you back into your old jeans again (even if you can't do up the button!)
- ❑ **Sling** — "Baby wearing" is great for infants and for parents! Keeps baby close while nursing or sleeping so Mommy or Daddy can do other things.
- ❑ **Baby Trekker** — Highly recommended. Ergonomic, adjustable, comfortable carrier for baby and parent (baby can face forward or backward).
- ❑ **Pippalily Slings** — Pippalily slings are machine washable, hand made and lined with 100% cotton for the baby's comfort. Sizing: Your Pippalily sling size will typically be the size of your fitted t-shirt.
